

Nursery Newsletter

March 2019

Learning

The children have enjoyed the mild weather spending most of their time outside. Last week they built a lovely castle and then made their own flags to go with it. Please see your child's Tapestry journal for more photos and videos of your child's learning.

A big thank you to all parents who attended parent/ teacher consultations.

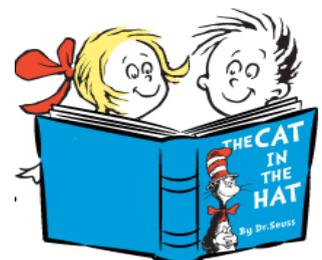

Stay and Play Sessions

Please join us on a Thursday for a 45 minute 'stay and play' session. The session will give you ideas of how you can support your child at home and give you the opportunity to see how your child is getting on. The morning parent's session is 8.30a.m and the afternoon parent's session is from 12.15p.m.

Library days

If you have still not bought a bookbag for your child, please do so. They can be ordered from the school website. It is important that you share stories daily with your child and the library day allows the children to choose their own book to share with you. We do not give library books out during the holidays.

World Book Day

On the 7th March, the Nursery will be celebrating World Book Day by dressing up as characters from Traditional Fairy Tales such as; Goldilocks and the Three Bears, Puss in Boots, The Three Little Pigs, The Little Red Hen, The Gingerbread Man, The Three Billy Goats Gruff, Little Red Riding Hood, Peter Pan, Robin Hood etc. We would encourage you to make your own costume as this is more fun for the children. Please do not dress your child as a superhero as this is not really a book character.

If you would like to come in and read a story to a small group of children in your own language we would be delighted.

Science week

We will be enjoying science week along with the rest of the school during the week beginning 11th March. During the week we will be exploring different materials, making giant bubbles, cooking and planting amongst other things.

Parent skills

If you have a skill you think would benefit the children, we would love for you to come and share it with a small group. For example, woodwork, cooking, gardening or football. You can speak to any member of staff if you are interested.

Towels and Socks

We are in short supply of socks for 3 and 4 year olds. If you have any old ones you are thinking of throwing away you could donate them to us. Also, if you have any old towels you do not want we will take them too.

Polite reminders

For safety reasons children should not wear jewellery to school. Stud earrings are permitted. Nail varnish is also not allowed.

Please ask if you have any queries. You can talk to any member of staff.

Thank you

Mrs Walsh, Ms Belacel, Mrs Warren and Miss Stevenson
